^[1] **Mission and Vision of Campus Christian Fellowship at UNC**

Mission: Making disciples on campus who impact the world

Vision: Encounter God,^[A] Connect in Community,^[B] Grow Together^[C] and Make an Impact^[D]

These four things make up what we call The Path of Discipleship. We believe they should be a part of a growing disciple's life and have designed programs to help them take the next step as they grow in their relationship with God. These programs are,

- A. Encounter :: Large group worship service designed so UNC students could stumble upon God the same way Moses did in Exodus 3 or the people did in Acts 2.
- B. Connect Groups :: Small groups of students gathering together to study the Bible with the primary purpose of developing community
- C. Grow Groups :: Accountability groups of no more than four students of the same gender that gather to pray, read the Bible together and hold each other accountable.
- D. Make an Impact :: There is no specific program for this step on the Path of Discipleship. Students are encouraged to Impact the world around them whenever, wherever and however they can.
